HELEN W. WIPLINGER ORGAN AND PIANO LESSON SCHOLARSHIP

Administered by the
Albert Lea Civic Music Association

This scholarship opportunity is made possible
by the generosity of the late

Helen W. Wiplinger

an accomplished musician and music lover,
to promote and encourage the education and
training of future church organists and pianists.

The Helen W. Wipplinger Organ and Piano Scholarship program was established to provide tuition funds for promising students for private study of the organ and piano. Students must show an intention and promise to play the organ or piano for worship services in any church in Freeborn County, MN or St. Paul's United Congregational Church of Christ in Minnesota Lake Township, Faribault County, MN.

The purpose of the scholarship program is to offer an extraordinary opportunity for students to study with qualified teachers. Organ teachers must have pedagogical training. A list of qualified organ teachers in the area is available upon request.

Scholarships are available for any student enrolled in

- District 241 Freeborn County, MN
- District 2134 Faribault County, MN
- Any adult in Freeborn County, MN

The scholarship is for one year of private lessons (26 lessons) on either the piano or the organ from a qualified private teacher of the student's choice.

Awards: Piano (26 - 30 minute lessons) \$520
 Organ (26 - 60 minute lessons) \$1040

An attendance record will be kept. If the 26 lessons are not completed, remaining money must be returned to Albert Lea Civic Music Association.

Scholarships will be given out to those who demonstrate ability and promise at the audition. Because of Mrs. Wipplinger's interest in preparing musicians as organists for churches, organ scholarships will be given priority.

The auditions will be performed before judges.

Winners will be notified by mail.

Students will provide an original copy of required selections for the judges with measure numbers marked.
